

INVITATION - Joint meeting of Finnish Developmental Biology Society & Stem Cell Network, 26-27 October 2018, Tampere

Summary of the meeting

The purpose of the meeting is to foster national networking by bringing together top experts, researchers and students working in areas of developmental biology and stem cells in Finland. The meeting offers great opportunities to share information and research results between Finnish universities. We are expecting some 100 participants to join us.

The scientific program of the meeting offers two keynote lectures, five sessions of short scientific talks given by researchers and company representatives, a poster session, a **commercial exhibition (from Friday to Saturday)** and social program on Friday evening.

Offer for sponsors and exhibitors

- Company logo on the meeting website and in the printed program/abstract book 300€ (VAT 0%)
- Table for the commercial exhibition 700 € (VAT 0%)
- Table for the commercial exhibition and oral presentation for 20 min 1000 € (VAT 0%)

Registration

- Please contact Mr Juha Laiho (juha.laiho@biomeditech.fi) by 1st of June 2018 2018 and ensure your visibility as a sponsor or exhibitor
